

What the Hexies Goin' On!

The Village Quilters Rules and Requirements

for our entry in the

2018 AQS Ultimate Guild Challenge

What is a Challenge?

A guild challenge is both a personal and group experience. A challenge theme is presented to the group. It could be a design, color, concept or piece of fabric. You will interpret the them uniquely – as only YOU can! The beauty of a challenge is when all these interpretations come together and are shared.

Our 2018 Theme

Our theme for 2018 is **“What the Hexies Goin' On!”**

- Size should be **32” to 40” wide** and **40” to 45” long**.
- Orientation of design is maker's choice.
- Design should show **at least one hexagon**.
- Quilt should have a **black binding**.
- Quilts are **due February 2, 2018**.

Since these awesome quilts will probably go to the AQS show in Grand Rapids, MI, we will be using their guidelines as far as scheduling, sleeve, and label requirements. For further information, go to QuiltWeek.com/Contest.
