ACTS Ministry	Monica Schmidt	The Arts, Crafts, Teaching & Sharing (ACTS) Ministry meets 2-3 weekdays each month from 10:00 a.m. to 3:00 p.m. at West Hills Baptist Church in west Knoxville. Meeting dates vary from month to month, and we take field trips. We are "makers" & "handmade crafters" who enjoy a variety of activities, more than just quilting. Each person can bring their individual projects to meetings. Sometimes we work on projects together. We have made quilts, fidget blankets, purses, comfort shawls, afghan crochet, knitting, crocheting, tatting, jewelry making, tie dyeing, and T-shirt decorating. Our meeting room has cutting mats, irons, & ironing boards. Bring your own sewing machine, rotary cutter & rulers. Contact Monica Schmidt (monicaschmidt.tn@gmail.com) to be added to the contact list for email updates.
Applique Bee	Cathie Peterson	The Appliqué Bee is a group interested in appliqué. Appliqué is the process of applying a piece of fabric on top of a background. We primarily do hand appliqué which generally uses invisible stitches. There are several, ways to place the fabric on the background and we all use our favorite. We usually do a project for the boutique. We are very willing to teach and help, others if you are learning or interested.
BeeAttitudes	Ann Davidson	This is a small group that gathers at Gina’s Bernina on Kingston Pike on the 2nd Wednesday of each month for an “attitude” adjustment. Gina’s generously allows us the use of their workroom from noon-4pm. Everyone works on their own projects, relying on the group’s creativity and experience for inspiration and encouragement. We welcome new members!
The Divas	Connie Williams	The Divas started as a group of women who had worked closely together on the boutique committee for a long-ago quilt show. They found that they enjoyed each other’s company so much, they stayed together and formed a bee. Several of the original members have moved away but new members have joined us. We still enjoy each other’s company. We meet to help each other with on-going projects, share new ideas and techniques, bring in ideas to inspire each other and occasionally will all work together on a single project for a specific cause. We are a group

Machine Applique Bee	Diane Tosh	Who knew there were so many ways to do appliqué by machine. As our bee has discovered we all have different variations of how we do appliqué by machine. The good thing is we all share what we do and learn from each other. Some people are more experienced and some are new and learning for the first time. Whether someone wants to come and just observe, or sew, while learning, or share their methods we welcome all.
Modern Bee	Dana Elliott	A modern quilt-- does not always have a border, has an unusual setting, sometimes is asymmetrical, has heavy use of white and gray backgrounds, uses fairly simple piecing with a larger focus on fabric not block design, sometimes mixes it up with various kinds of fabric and usually has more dense quilting. We are a group of women who want to sew together, learn and inspire each other while mixing it up in our own unique designs. We meet on the 4th Monday of the month at

Punch Pals	Nancy Kessler	This is a machine embroidery bee. When embroidering by machine began, the machine read long paper tapes that were punched with holes, telling it when to make a stitch. Today the Punch Pals meet and chat about designs, stabilizers, threads, techniques, seminars and, of course, SALES! We have a good time and welcome all as members. Leave your machine at home and come to chat with us!
Scrappy Ladies	Toni Manley	The "Scrappy Ladies" bee meets on the Wed. following the Guild meeting. We meet about 6:30 to 8:30pm in the evening in the Quilt Room at Chota Rec Center. We enjoy getting together to communicate with each other or quilt together. We are always willing to share our ideas. There are times when one member shows the rest of the girls a different or newer technique. We work on projects together for the Boutique and sometimes for ourselves as well. Anyone that wishes to see for themselves what we do or are all about are always welcome to join us on a Wed. evening.
