

SUPPLY LIST

FAUX FLANGE BINDING WORKSHOP

Thursday, March 28, 2019

9:30 AM to 12:30 PM

Learn how to make a Faux Flange (two-color) binding that you can attach to your quilt all by machine (no hand stitching required). This flange will add a 1/8-inch “zing” to frame your quilt. It is sewn onto the back of the quilt and then folded onto the front of your quilt and sewn by machine.

What to bring:

Sewing Machine

Walking Foot

Small quilt that is ready for binding

Two fabrics you want to use for binding, one that will add a spark or zing to your quilt (flange)

Thread matching the fabric you will use as your “flange” fabric

Thread that somewhat matches the backing on your quilt

Cutting Mat

24" Ruler

Basic sewing supplies
