

# TREE LOT WORKSHOP

Thursday, OCTOBER 21, 2021

PAT BILSKI 865-657-9569

**PATTERN REQUIRED** – I will NOT be ordering the pattern, Tree Lot, by Cozy Quilt Designs, as it is readily available in print and as a digital download. I have seen it at local quilt shops as well as on line. Jordan Fabrics, for one, has free shipping as well as the downloadable pattern.

This quilt uses **2 ½ inch strips**. They can be very scrappy, or you can use a jelly roll. I will bring my Accuquilt cutter to class and will cut 2 ½ inch strips from your fabric as time allows. I have used Christmas fabric, but the quilt would be great in Fall fabric too. This quilt is very “stash-buster” friendly! Use up your Christmas scraps, fat quarters, or yardage.

The quilt comes in several sizes. My sample is a **TWIN**. It requires:

22 strips

3 yards of background fabric

1 yard of sashing

1 ½ yard for the border

5/8 yard binding

The **TABLERUNNER** requires:

5 strips

2/3 yard background

1/3 yard sashing

1 yard border

3/8 yard binding

Bring your basic sewing supplies, including a ruler with a 45 degree line marked on it, and a fabric marker such as a Frixion pen or a mechanical pencil.
